**Target market****Customer description**

This describes customers in the target market

**Objectives and needs**

- a person who may seek a deposit account for holding funds, without the ability to access funds unless a notice period has been satisfied, and earning interest on those funds.
- a person who is not operating a domestic or international funds remittance arrangement, business or service, or trading in or supporting trading in cryptocurrencies or digital currencies, or a shell bank.

**Financial situation**

- a person who will have financial capacity to deposit funds into the account and pay specialised transaction fees as and when the fees become due and payable.

**Product description**

This describes the product

A deposit account with a fixed notice period for withdrawals and the following key attributes:

- the ability to earn interest on deposited funds without access to these funds unless a notice period has been satisfied,
- the inability to use the account for operating a domestic or international funds remittance arrangement, business, or service, trading in or supporting trading in cryptocurrencies or digital currencies or a shell bank,
- the requirement to deposit funds and pay specialised transaction fees, and
- the requirement to link the account to an eligible deposit account held with AMP Bank.

**Appropriateness statement**

This explains that the product is consistent with the likely objectives, financial situation and needs of the target market

AMP Bank has considered that the product is appropriate for the target market on the basis that the key attributes of the product listed in this determination directly address the objectives, financial situation and needs of customers in the target market as described in this determination.

## Distribution conditions

**Retail product distribution conduct (other than general advice)**

This condition applies to all conduct (other than general advice) such as issuing, arranging and providing disclosure material

**Distribution conditions**

| Distribution methods   | Suitability  |
|--|--------------|
| Direct through AMP Bank approved communication channels (including website, telephone, or email) | Suitable     |
| Through financial adviser  | Suitable     |
| Through fixed income broker  | Suitable     |
| Through mortgage broker or mortgage manager  | Not suitable |
| Through referral from approved comparison site provider  | Suitable     |

| Distribution method subject to the condition            | Description of condition  |
|---|---|
| Direct  | Applications must be made via one of the following methods:<br>– approved smart form  |
| Through financial adviser                               | Distribution must be via personal advice  |
| Through fixed income broker                             | Application must be via one of the following methods:<br>– approved smart form<br>– other authorised method   |
| Through referral from approved comparison site provider | Any link to an application form for the product must direct prospective customers to review the relevant AMP Bank product information page and include details of where to find the TMDs  |
| All   | A distributor must only engage in retail product distribution conduct if it has identified the key difference between the product option requested by the customer and the other product option and determined that the product option requested by the customer is appropriate for the customer. |

**Why the distribution conditions and restrictions will make it more likely that the customers who acquire the product are in the target market**

The distribution conditions will make it likely that customers who acquire the product are in the target market because they will have received one of the following before acquiring it:

- warnings or questions about key attributes and key limitations of the product which are material to whether customers are in the target market, or
- personal advice.

**General advice**

This condition applies to general advice (including most marketing)

**Distribution conditions**

| Distribution methods   | Suitability |
|--|-------------|
| Advertising on television, radio, the internet (including social media), billboards and physical banners, brochures and other marketing material available to the general public | Suitable    |
| Other issuer approved communication channels (including telephone, email and social media)   | Suitable    |

**Why the distribution conditions and restrictions will make it more likely that the customers who acquire the product are in the target market**

These conditions are appropriate as the target market is wide.

## Review triggers

AMP Bank, and any distributor of this product, must cease retail product distribution conduct in respect of this product when AMP Bank determines a material event or circumstance has occurred in relation to:

- a change in law which materially affects the product design or distribution
- a material change to the product that is likely to result in the determination no longer being appropriate for the target market
- evidence, as determined by the issuer, of the performance of the product, in practice, that may suggest that the product is not appropriate for the target market
- material complaints (in number or significance) in relation to the terms of this product and/or the distribution conduct
- reporting from distributors, or consistent feedback from distributors on the target market which suggests that the determination may no longer be appropriate
- a material pattern of dealings in the product or of distributor conduct that is not consistent with the determination
- a notification from ASIC requiring immediate cessation of product distribution or particular conduct in relation to the product

## Review periods

The first review, and each ongoing review, must be completed within each consecutive one year period from the Start date.

## Distribution reporting requirements

The following information must be provided to AMP Bank by distributors who engage in retail product distribution conduct relating to this product:
