with Chief Economist Dr Shane Oliver
& Head of Intermediary Distribution
and Governance Paul Herbert

The banner features a dark blue background with white and light blue text. On the left and right sides, there are portraits of two men: Dr. Shane Oliver on the left and Paul Herbert on the right.

Join us on Tuesday, 14 March at 2pm (Sydney time) for our first market insights webinar of 2023, where we will be hosting AMP's chief economist, Shane Oliver to talk through his 2023 property outlook.

In Shane's outlook, he will cover the global economy's recovery from COVID-19, and the newfound economic challenges presented by the ongoing conflict in Ukraine. Shane will also discuss his view on rising interest rates, the future of Australian residential property prices, and rising inflation levels.

In this webinar, you'll have the opportunity to participate in a live Q&A session. Please, feel free to

include any questions you might have for Shane in the relevant section of your registration form.

What you need to know

The credit provider is AMP Bank Limited ABN 15 081 596 009, AFSL and Australian Credit Licence 234517. Approval is subject to AMP Bank guidelines. Information including interest rates is correct as at 24 February 2023 and is subject to change without notice. Terms and conditions apply and are available at amp.com.au/bankterms or by calling 13 30 30. Fees and charges are payable. Before making a decision about an AMP Bank product your customers should consider the terms and conditions. Read our Financial Services Guide available at amp.com.au/fsg for information about our services, including the fees and other benefits that AMP companies and their representatives may receive in relation to products and services provided to you.

For Notice Accounts only: Before making a decision about this product your customers should consider the Notice Account PDS available from AMP at amp.com.au/bankterms or on 13 30 30.

1 The comparison rate is calculated for a secured loan on a loan amount of \$150,000 over a 25-year term. **WARNING:** This comparison rate is true only for the examples given and may not include all fees and charges. Different terms, fees or other loan amounts might result in a different comparison rate. Comparison rates for fixed interest only loans are based on an initial interest only period equal to the nominated fixed period and the remaining period (to 25 years) principal and interest at the equivalent product variable rate. Costs such as redraw fees or early repayment fees, and cost savings such as fee waivers, are not included in the comparison rate but may influence the cost of the loan.

* Tax consequences may arise from these promotions for investors and customers should seek independent advice on any taxation matters.
