#### AMP Awarded Best Digital Bank in Australia

AMP Bank recognised for innovation, engagement, personalisation and user XP.

We're excited to announce that AMP Bank has been named the Best Digital Bank – Australia at The Digital Banker's Global Retail Banking Innovation Awards 2023.

These are the most authoritative private wealth awards in the world and recognise cutting-edge banks that blend the best technology with the power of their people to raise the bar in consumer banking.

The expert judging panel included KPMG, EY, PwC, Deloitte and Forrester Banks and rated banks across digital innovation, digital ecosystems, customer experience, financial performance and leadership strategy.

AMP Bank is committed to improving and enhancing our broker experience channels. We asked, you spoke, and we have listened – the AMP Distributor Centre has received a major refresh.

Using a series of surveys and Broker usability tests, we have created an improved experience for users of the AMP Distributor Centre. We will be sharing further information closer to the site launch, which is presently scheduled for November of 2023. If you have any questions about what you can expect, book in a discovery session with your <u>Business Development Manager</u>.
