1 The comparison rate is calculated for a secured loan on a loan amount of \$150,000 over a 25-year term. **WARNING:** This comparison rate is true only for the examples given and may not include all fees and charges. Different terms, fees or other loan amounts might result in a different comparison rate. Comparison rates for fixed interest only loans are based on an initial interest only period equal to the nominated fixed period and the remaining period (to 25 years) principal and interest at the equivalent product variable rate. Costs such as redraw fees or early repayment fees, and cost savings such as fee waivers, are not included in the comparison rate but may influence the cost of the loan.

2 This rate is applicable to applications received from Intermediaries only.

3 If the deposit balance exceeds the loan balance, no credit interest is payable on the excess balance in the deposit account.

4 A \$6 monthly Account management fee is payable on the Offset Deposit Account when linked to a Basic Variable Rate Loan.
