WARNING: This comparison rate is true only for the examples given and may not include all fees and charges. Different terms, fees or other loan amounts might result in a different comparison rate. Comparison rates for variable interest only loans (except construction loans) are based on an initial 5 year interest only period and a subsequent 20 year principal and interest period. Comparison rates for construction loans are based on an initial 1 year interest only period with interest payable at the Construction rate and a subsequent 24 year principal and interest period with interest payable at the Construction variable rate. Comparison rates for fixed interest only loans are based on an initial interest only period equal to the nominated fixed period and the remaining period (to 25 years) principal and interest at the equivalent product variable rate.					
6 For new home loan applications received from Friday 30 Jul 2021. AMP Bank reserves the right to terminate the offer at any time. Applications subject to credit approval.					
7 Dual purpose (investment split/s & at least one owner occupied split) is contained within one loan (same App ID). Separate loans with a differing borrower structure will be priced separately.
