

SMSF lending's back. And built to back brokers.

AMP Bank's SMSF loans are back with more options to help you expand your offer. With IO and offset deposit account offers, a smoother, end-to-end digital process and clear lending frameworks, you can deliver more value to customers.

What this means for you

- ✓ **Automated verification**
Flag and fix structure issues up front
- ✓ **Clear credit policy**
Streamline eligibility checks
- ✓ **Strong compliance framework**
Get clear guidance and confidence

What this means for your customers

- ✓ **Competitive, transparent rates**
Support their long-term planning.
- ✓ **An offset deposit account**
Reduce interest, without tying up cash.
- ✓ **Principal & Interest and Interest only options**
Support stronger cash flow from day one.

Get support through our broker training hub

If you or your support staff need help lodging your customer SMSF applications, visit our broker training hub. It has everything you need - from quick guides to step-by-step training videos - to lodge applications with confidence.
